SUMMARY

Motivated and detail-oriented Computer Science undergraduate with hands-on experience in **Java**, **Python**, **SQL**, and **AWS** fundamentals. Strong foundation in data structures, object-oriented programming, and software development principles. Proven ability to build efficient applications, automate workflows, and derive insights from data. Seeking an **entry-level Software Engineer / Data Engineer** role to contribute to scalable systems and real-world solutions.

SKILLS

Programming & Scripting: Java, Python, C, C++, SQL

Core Concepts: Data Structures & Algorithms, OOP, DBMS, Problem Solving

Tools & Technologies: Git, VS Code, IntelliJ

Cloud & Technologies: AWS (Basics), AI/ML Fundamentals, Cybersecurity Basics

PROJECTS

ResumelQ – AI Resume Analyzer & Job Match System (Final Year Project)

Python, Flask, NLP, spaCy, Scikit-learn, HTML, CSS, JavaScript

- Developed an AI-powered web application that analyzes PDF resumes using NLP.
- Extracts technical skills automatically and calculates job match percentage.
- Recommends missing skills based on job role requirements.
- Built full-stack application with Flask backend and responsive frontend.

GitHub: github.com/kolaganasai/ResumelQ

Student Management System | Java

- Developed a CRUD-based application using OOP principles for efficient student data management.
- Designed modular code structure improving maintainability and scalability.
- Implemented validation and structured data handling for better system reliability.

Python Automation Script

- Built automation scripts to handle repetitive tasks, improving efficiency by 30%.
- Used Python libraries for file handling and task scheduling.
- Reduced manual effort and improved execution consistency.

SQL Data Analysis

- Performed complex joins, aggregations, and filtering to extract actionable insights.
- Optimized queries for better performance and faster data retrieval.
- Demonstrated strong understanding of relational database concepts.

EDUCATION

- Bachelor of Technology (B.Tech)** in Computer Science and Engineering
Chalapathi Institute of Technology and Engineering | 2023 – 2027
CGPA: 7.16
- Intermediate (MPC)**
Sri Chaitanya Junior College | 2023
Percentage: 81%
- SSC**
D.AV Public School | 2021
Percentage: 99%
